3. Russian Wrap Masters Cup is the stage of the World Wrap Masters Championship.
4. The winner of the competition is selected directly to the grand finale of the World Wrap Masters 2020.
5. The organizer of the Championship of Russia is LLC VINK and the Russian Wrap Masters group.
6. The purpose of the competition is promotion of vinyl styling ideas, increase the professionalism of the wrap masters, the exchange of experience and increase the level of wrap masters communication, the development of the Russian vinyl styling community.
7. Competitions are held on an individual basis on the basis of mutual respect, fair competition, honest sports spirit.
8. The organizers reserve the right to change the points of the rules without additional agreement until the start of the Championship.

2. Registration of participants.

1. Every participant must make a preliminary registration, pay a participant fee and be registered on the first day before the opening of the competition.
2. Preliminary registration must be done before 23:59 (Moscow time) on October 9, 2019 and participant must pay the registration fee. If there is a controversial situation about regarding the time of registration or the fact of filing an application, the organizers have the right to make decisions on registration of the participant's application.
3. The application is submitted on the official competitions website rwm-cup.ru, or a special registration form, which is sent to the e-mail reg@rwm-cup.ru.
4. Preliminary registration is considered completed after sending the completed application form, making a contribution of the participant and receiving confirmation of registration from the organizers.
5. Ways of payment of the participant's contribution: by bank transfer in the branch of any bank to the account of the organization for the details indicated on the participant's

preliminary registration page, by bank transfer to the account of the organization in the "Sberbank-online" system, by the details specified on the participant's preliminary registration page, on " Yandex.Money "through the payment form on the site rwm-cup.ru, in cash before the start of the event.

6. The cost of participation in the championship is 220 euro.
7. The first twenty pre-registered participants may choose the participant's number. Other participants receive the numbers in the sequence of their registration.

Participants of the competition must register from 9.00 to 9.20 at the first competition day October 21, 2019 at the front desk. The participant is considered registered after he is marked in the registration list, has handed over the signed agreement on exemption from responsibility and received the participant's package. The participant should bring a signed agreement on exemption from liability to speed up the registration process. If the participant can not print the agreement, he can sign it at the competitions.

1. Competitors.

1. Competitors (wrap masters) compete professionally and honestly, observing the norms of sports morality.
2. A citizen of any state who works or works in the field of vinyl styling can take part in competitions.
3. Participants of the competition must wear special T-shirts from organizers at the competition time. T-shirts will be issued in the participant's package. Competitors must not wear other clothes, uniforms or objects on top of the competitor T-shirt during the stages of the competition. The text and information about the competitor on the placed RWM T-shirt must be accessible to the judges, spectators and other competitors and it can not be covered by other inscriptions, stickers, etc.
4. Participants of the competitions allow their data, such as last name, first name, patronymic, the name of the studio, as well as photographs and video materials with their participation, made during the period of the competition, to be used for publication and other information purposes.
5. Competitors must have a tool kit in any quantity, for example, a knife, squeegee, scissors, hair dryer, magnets, rag, cleaner (alcohol), a belt bag for tools, a Knifeless tape. Each master independently decides what instrument he needs to participate in the competition. Organizers will be able to provide some types of tools, but its number is limited and, above all, will be intended as a spare for emergency cases.
6. The winner of the RWM championship must have valid documents to enter the territory of Germany in order to take advantage of the main prize. The monetary or other replacement of the prize is not issued.
7. In case of violation of the rules by the competition participant, the organizers can give him a warning, and the competitor must do everything possible to observe the conditions and observe them in the future. If a competitor breaks the rules one more time, he will be disqualified.

2. Judges.

1. The judges of the competitions carry out expert, impartial and objective refereeing.
2. Refereeing is provided by a group of judges. They monitor compliance with competition rules, advise participants on them, evaluate the work of masters, and decide on disqualification. Disqualification is appointed in case of violation of these regulations, competition rules and in the case of unsportsmanlike conduct.
3. If one of the judges can not take part in the competitions by circumstances of force majeure, the new judge may be appointed at the organizers discretion, or this judicial place may be closed.
4. Refereeing is carried out on the scorecard to measure. Results are unknown until the announcement. Judges should not inform the participants about the points they received before it is officially announced.
5. Judges check the quality of the participants' works, taking into account certain parameters, they fill out special. The speed of work is assessed by the judges, but is always quality of work is more important than speed.
6. Finalists and winners are selected by the sum of their points, after the collegial council of judges.

3. Competition stages

1. Competitions are held in three stages: qualifying stage, semi-final and final.
2. 20 participants enter the semi-finals, which scored more points in the qualifying stage on the first day of the competition.
3. The main criterion for assessing the work is the quality of their performance for a limited time. The speed of work will also be assessed, but to a lesser extent. The quality of the work is always more important than the execution time. The work done not to the end, but with a better quality than that performed in full, can get more points.
4. If the competitor is injuring the car, he may be disqualified from the competition. To avoid damage, participants will be given out Knifeless tapes, which they can use during the competition.
5. Participants are prohibited to use self-prepared soap solutions during the competition stages.
6. The qualifying stage consists of two rounds, which reveal the versatile skills of the masters in working with vinyl film. The evaluation criteria are based on a qualitative result and are considered in detail in the rules.
7. During the qualifying stage, the masters in the first round will have to make creative wrapping of difficult car surface with colored films. In the second round, the masters will pattern wrapping by printed films on a complex object.
8. Participants will be divided into groups by the drawing of lots for two rounds of the qualifying stage. Both tours will be held simultaneously.
9. During the first round of the semi-final the masters make pattern wrap several car elements with a printed film. In the second round they do creative wrap of electric guitar.

10. In the final round, the car will be wrapped with printing films.
11. The organizers reserve the right to change the conditions of tours and wrapping objects and the number of semi-finalists.
12. Estimated duration of the tour for one participant. The first round will last 0.5 hours, the second round will last 1 hour, the first round of the semifinals - 1 hour, the second round of the semifinals - 1 hour. Final - 2 hours.
13. The number of previously received points is reset to zero in the final, and only the points received in the final are taken into account.

4. Materials.

1. The competitions are held using self-adhesive films of the German manufacturer Orafol.
2. Self-adhesive films are used for competitions: Orajet 3951, Oracal 970, Oracal 975, laminating film Oraguard 290.
3. There are separate places where masters can be trained in working with films to familiarize themselves with the properties of films.
